Employee : Of course! Our two most popular shows are the Dolphin Spectacular and the Seal Serenade. The Dolphin Spectacular features an incredible display of dolphin tricks and interactions, while the Seal Serenade features playful performances by our talented seals.

Customer : Both sound wonderful. It's a tough choice, but I think we'll choose the Dolphin Spectacular. What times are the shows?

Employee : They are at 1:00 p.m. and 3:00 p.m. today. However, the 1:00 p.m. show is already sold out.

Customer : It's popular, isn't it? Are there still seats available for the 3:00 p.m. show?

Employee : Yes, there are still a few seats available for the 3:00 p.m. show. They're yours if you want them! You'll only need to buy two adult tickets because tickets aren't required for children under three years of age.
